Euroclear Group Appoints Ivan Nicora to the ISSA Board

BELGIUM, LONDON, ZURICH, 14 September 2021

ISSA is delighted to announce that Ivan Nicora has been appointed to its Board. Ivan is currently Head of Investor Services at Euroclear with a wide range of experience including Risk Management, Network Management, Sales and Product Management.

Phil Brown, ISSA Chairman, stated: "Euroclear has been a long standing member of ISSA and we appreciate their continued support. We believe that Ivan's background with his well-rounded capabilities and his involvement in digitization at Euroclear will be a benefit to the Board. We whole heartedly welcome him."

According to the recently issued ISSA whitepaper «Future of Securities Services», the speed of technological advancements was identified as one of the major trends that will reshape the securities industry over the next 10 years. ISSA have responded by forming a "Digitization Working Group." Ivan's experience and knowledge of this topic, and his wider market knowledge at the Board level, will help ensure we fulfill our ambitions for ISSA.

On accepting the nomination, Ivan Nicora said: "I am delighted to join the ISSA Board which consists of industry professionals, many of whom I have worked with previously. Together we have a common purpose to innovate and drive new ideas to benefit the market."

About ISSA

The International Securities Services Association (ISSA) is a well-established and forward-looking Swiss-domiciled industry association. ISSA's members include CSDs, custodians, technology companies and other firms who are actively involved in all aspects of the securities services value chain.

By connecting its members, and facilitating collaboration, ISSA provides the leadership necessary to drive change in the securities services industry. The focus is on finding progressive solutions to reduce risk and improve efficiency and effectiveness - from issuer through to investor - as well as on providing broader thought-leadership to help shape the future of the industry.
