

SIX appoints Ms. Marion Leslie as the International Securities Services Association (ISSA) Board member

Zurich, 14 July 2026

ISSA is pleased to announce the appointment of Marion Leslie of SIX to the ISSA Board.

Marion is Head of Securities Services ad interim and Head of Financial Information at SIX, having joined SIX in January 2020 as a member of the SIX Executive Board. She is the Executive Board representative for Sustainability and co-lead for AI for the Group.

Marion has extensive international leadership experience in financial services, with a strong focus on data, technology, and global platforms and business operations. Before joining SIX, Marion was Managing Director, Enterprise, at Refinitiv (LSEG), where she was responsible for delivering market data, platforms, and services to the global financial markets.

Marion has received numerous industry recognitions, including being named one of the 100 Most Influential Women in European Finance by Financial News for six consecutive years (2020–2025). In 2025, she received the DKF Market Data Person of the Year award. She also serves on the Board of Swiss Sustainable Finance and is a board member of Advance, Switzerland's leading business association for gender equality.

Margaret Harwood-Jones, ISSA Board Chair, stated: "ISSA is delighted to welcome Marion Leslie to its leadership community and to strengthen its long-standing relationship with SIX. Marion brings exceptional international experience in financial market infrastructure, data, and technology, combined with a proven track record of leading global businesses and driving innovation across the financial services industry. Her strategic insight and leadership will be invaluable as ISSA continues to support collaboration and shape the future of securities services. We look forward to the expertise and perspective Marion will bring to the ISSA Board."

Marion Leslie said: "I am delighted to join the ISSA Board and look forward to working alongside my fellow Board members and the wider ISSA community. I am looking forward to contributing to ISSA's mission of advancing the global securities services industry through collaboration, innovation, and the sharing of expertise."

Julia McKenny,

ISSA CEO
