20th ISSA Symposium

Dear Member Representatives

The ISSA Board and CEO Office are delighted to be able to inform you that the 20th ISSA Symposium has now been rescheduled. The revised Symposium details are as follows:

Venue: Wolfsberg, Switzerland
Dates: Tuesday 18th - Friday 21st January 2022

Please could we ask that you add this information to your calendar. Invitations and the agenda will follow in due course. A number of you have told us that you have budgeted for the Symposium in 2021. Given that the bill for the Symposium will be sent out later this year, please do not release the accruals as payment will still be due in 2021.

We are sure that you understand the reasons why we cannot hold the Symposium in 2021. We are, however, planning to host other virtual events this year where we hope to see you. The first two are using the provisional Symposium dates in May and so, hopefully, are held slots in your calendar:

ISSA General Meeting

ISSA will host a virtual meeting to update our member representatives and vote on any business required. This is scheduled for Tuesday, the 4th May 2021, from 13.00 to 14.30 CET

The Future of Securities Services

ISSA will host a virtual meeting to discuss and recommend to the Board the next topics for ISSA Working Groups to address. This is scheduled for Wednesday, the 5th May 2021, from 13.00 - 16.00CET

Placeholders and further details for each of the events, will be sent to you in the coming weeks.

Thank you for your ongoing support of ISSA.

Kind Regards

Colin Parry
