Dear Guests

For more than 30 years, ISSA (International Securities Services Association) has made significant contributions to the development of the worldwide securities services industry by facilitating the interaction among market participants. By means of its famous symposia and highly professional working groups, ISSA provides leadership in the formulation and promotion of best practices in the post trade securities arena. With more than 110 institutions servicing a significant portion of the world's total securities transactions and custody volume, ISSA represents a substantial combined market weight.

Once a year, ISSA holds a half day 'Thought Leadership Event' in one of the global financial centers. This year Hong Kong is the place to be where HSBC is hosting ISSA. We are delighted to send you a complimentary invitation to join us at this forthcoming event.

This half day conference will include industry-focused presentations followed by a panel session and thought leadership discussion.

We are looking forward to welcoming you and we kindly ask you to return the attached reply form.

Thomas Zeeb
